

Would you like to develop leadership skills?

Would you like to share your ideas?

Kiwanians are service and community minded individuals who support children, young adults and seniors of the community and the world. Kiwanians work together and pool their resources and respond to the needs of their community. They are different makers, they service their community and make it better and improve lives of others. Does this describe you?

You are invited to Join Us!

Children need you!
